Rate of Teenage Pregnancy in Mombasa

Providing adolescents with contraception can:

- Help young women stay in school.
- Support young women’s economic development.
- Promote healthier planned pregnancies and births.

**3.6% OF HEALTH BUDGET**

**Is Mombasa Fulfilling Its FP2020 Commitment?**

- Does Not Have FP Budget Line
- Costed Implementation Plan

**FP Programming in Mombasa Requires More Funds**

Create a FP budget line to fully fund the CIP.

Leverage donor funds to support CIP implementation.

Dedicate specific funds for adolescent FP programming.
Funding Needed to Fully Implement Family Planning Services in:

MOMBASA
